

*January 14, 2011*

*To All Members*

*In our Fall meeting we discussed Haiti and Housing. Specifically, in what way the industry could provide help.*

*Warren Bracken has obtained the names of the most active organization providing assistance.*

*Samaritan's Purse and the Red Cross*

*There are a number of suggestions already put forward:*

- ✓ Build prefab portable 16 x 16 units in Manitoba and ship them*
- ✓ Have them built in Florida*
- ✓ Send a workforce to build and assemble them on site.*

*Perhaps each member could review the idea and present their thoughts during our next meeting.*

*Ron Patterson*
